BENEFICIARIES

3RD PARTY  
ENTITIES

Create a coalition of CSOs focused on monitoring and conducting advocacy

Build programs of capacity building, peer-to-peer exchanges to support CSOs in increasing their organizational resilience

Create tools and platforms to share knowledge and sustain monitoring processes

Strengthen CSOs internal governance

Empower local small organizations through financial support to implement projects to enhance social accountability, collaboration and partnership with municipalities

Foster structured dialogue and strategic collaboration among CSOs with the EU and government on advocacy and monitoring reform efforts

Empower individuals and groups at risk of marginalization and discrimination to have voice and representation

## PROJECT RESULTS

Enhanced role of civil society actors in increasing transparency and sustainable implementation of the Lebanon Reform Recovery and Reconstruction Framework (3RF)

Strengthened engagement of local civil society organizations in preventing, monitoring and fighting corruption at the municipal level

Sustained and inclusive multi-stakeholder dialogue that advance reform efforts in Lebanon

## IMPACT

Improve accountability and promote transparency reforms in Lebanon
